About Mama

Our Mama was well known through out East St. Louis for having the best tasting Soul Food in the city. From her famous fried chicken, to her banana pudding, Mama's recipes were carefully handed down and kept secret within the family for years! Nobody could do it like Mama! We couldn't wait for the Holidays to roll around so we could get Mamas full Phenomenal Feast.

*Did you know that MaMa graduated from college at the age of 61? It was one of her lifelong dreams. She persevered through many of life's challenges but lived by the motto "**Never give up on your dreams**".... and here we are today living our dream by sharing her mouth watering cooking with all of our friends and family---*

*Mama always said "**Boy...If you can dream it, you can do it!**"*
